

Connection of Service Utility

ADDRESS _____

The responsible agent shall be the entity(s) who, in fulfillment of contractual obligation or otherwise, is empowered to control and supervise all construction activities. The suitability of the agent shall be at the sole discretion of the authority having jurisdiction.

PROPOSED USE _____

Utilization of portions of the permanent wiring system to facilitate construction shall be permitted and limited to those instances in which the use is deemed to be of reasonable necessity. Reasonable necessity shall include any of the following.

1. The utilization of permanently installed HVAC equipment to maintain environmental conditions necessary to facilitate the installation of environmentally sensitive materials, or finishes in accordance with the manufacture’s instructions.
2. Where the distance between the construction site electrical service and any interior point at floor level is not in excess of 200 feet following the most direct route that an extension cord could reasonably be routed;
3. Testing of building service systems; or
4. Other situations as allowed by special permission.

Utilization of portions of the permanent wiring system during construction for any purpose other than testing and verification shall not be permitted where the use is solely for convenience. In no case shall any portions of the permanent wiring be energized for construction purposes until the portions have been inspected and released by the electrical code enforcement official.

The responsible agent shall maintain the energized electrical system or that portion of the building containing the system in a secured and locked manner to exclude unauthorized personnel. The responsibility agent shall assume the responsibility to alert personnel working in the vicinity of the energized electrical system to its presence.

Adequate inspections, as deemed necessary, by the code enforcement official shall be made prior to energizing to assure it complies with the requirements of Sec 10.8 (NC Administration and Enforcement Requirements Code).

Consent of Responsible Agent

The responsible agent shall consent to all provisions of Sec 10.8.2 (NC Administration and Enforcement Requirements Code). Additional, consent shall be extended to remove all power supplied to a building or structure under these provisions when in the sole discretion on the code enforcement official, such service is no longer consistent with the provisions of this section. The responsible agents signature shall be deemed to consent to this section.

Unauthorized energizing or use of the permanent wiring system or any portion thereof shall be prima facia evidence of a hazard, which at the sole discretion of the code enforcement official may result in disconnection of power as prescribed and allowed by Law.
