November 2016

Fully accessible playground to open at Onslow Pines Park

On November 15, Onslow County's fully accessible playground will open to the public. The new playground is located at Onslow Pines Park in Jacksonville and is designed to meet current accessibility and inclusiveness standards. Some of the playground's features include a zip-line and a 450-foot walking pathway around the playground. One of the more unique elements is the liberty swing, which allows for a wheelchair-bound individual to swing in a motion similar to that of a traditional swing. A formal ribbon-cutting ceremony will be held at Onslow Pines Park at 11 a.m. Tuesday, November 15. The fully accessible playground was made possible through a grant by Trillium Health Resources. Playground hours are 10 a.m.—5 p.m. during the months of November through February.
