**ETHICS GUIDELINES FOR  
COUNTY ADVISORY BOARDS AND COMMISSIONS**

I agree by my signature below that, if appointed, I pledge to comply with the following ethics guidelines for Advisory Boards and Commissions as adopted by the Onslow County Board of Commissioners.

Members of advisory boards and commissions shall not discuss, advocate, or vote on any matter in which they have a conflict or potential conflict of interest or an interest which reasonably might appear to be in conflict with the concept of fairness in dealing with public business. A conflict of interest or a potential conflict occurs if a member has a separate, private, or monetary interest, either direct or indirect, in any issue or transaction under consideration. Any member who violates this provision may be subject to removal from the board or commission.

If an advisory board or commission member believes he/she has a conflict or potential conflict of interest on a particular issue, then that member should state this belief to the other members of his/her respective advisory board or commission during the board or commission's public meeting. The member should state the nature of the conflict, detailing that he/she has a separate, private, or monetary interest, either direct or indirect, in the issue or transaction under consideration. The member should then excuse himself/herself from considering and voting on the matter. (In cases where an advisory board or commission member declares a conflict or potential conflict of interest, the member shall excuse himself/ herself from the board table/voting area until all discussion, consideration, and voting is completed on the matter in question.

Any advisory board or commission member having questions or needing assistance regarding the interpretation of these ethic guidelines or other conflict of interest matters should contact the administrative staff for the respective board or commission. Staff will assist the member with questions and interpretations and may provide a recommendation on whether or not the advisory board or commission member should excuse himself/herself from voting. The member may request that the staff respond in writing. Staff may contact the County Manager for any additional assistance.

The members of the County advisory boards and commissions shall agree to follow the same Code of Ethics adopted by and for the Onslow County Board of Commissioners.
