

# North Carolina Minor Consent Law

**North Carolina Law allows minors < 18 years to receive**

- *Family Planning / Birth Control*
- *Pregnancy Tests / Prenatal Care,*
- *Sexually Transmitted Diseases (STD), and*
- *Communicable Disease Services*

**WITHOUT PARENTAL CONSENT.**

**However, it is the policy of our Health Department  
to always encourage minors to discuss  
their healthcare needs with their parents.**
