

Onslow County Health Department

Accredited by the North Carolina Local Health Department Accreditation Board since 2014

Building better lives for individuals and families.

FREE OR LOW-COST SERVICES

- Fees for many services are based on a sliding fee scale so that people with low incomes pay less (or nothing) for a service.
- No one is denied essential services, such as communicable disease testing, family planning, prenatal or child health, because he or she cannot pay. Even if money is owed to the Health Department, people are not turned away or required to pay up-front for essential services.

It is the mission and purpose of Onslow County Health Department, Consolidated Human Services, to deliver supportive social, economic, protective and health services that build better lives for individuals and families.

Hours of Operation:

Monday-Friday 8:00 a.m. to 5:00 p.m.

Thursday Late Clinics until 8:00 p.m.

Our Commitment to You

The Health Department strives to eliminate barriers that prevent people from receiving the care that they need.

We help our clients receive care by providing:

- Free or low-cost care.
- Free interpreter assistance.
- Community education classes.
- Transportation assistance.
- Referrals.
